With reference to notes in paras 16 & 17 of the C.B. Collection placed below, these papers may now be referred to the S.P.C. Office for further action.

The Marginally noted C.B. files are put up for reference in the S.P.C. Office. A copy of G.O. Dy 27.5.33 relating to the procedure for purchasing and maintaining a Stock of Jewels & Medals is also placed below.

(CBR 7/7)

A provision of Rs 5000 has been made in the Budget for "Durbar Presents".

The procedure hitherto adopted was for quotations (according to specifications given) being called for by the Chief Secy. from certain Standard manufacturing firms, ~~and for despatch~~. On receipt of quotations, the firms with whom orders might be placed were being selected with the approval of the Dewan. After the jewels were received they were being for inspected by the Palace office and ~~they were approved~~ finally accepted by Govt. if the gems used were good & according to specifications. A formal G.O. sanctioning the purchase would then be issued from C.B.

On the present occasion, it has been ordered that tenders may be called for through the Stores Purchase Committee for supply of the marginally noted jewels & medals. If approved, the S.P.C. will be requested to take action about calling

for tenders, on the lines adopted in previous years. The firms from whom jewels were obtained in the past few years are noted in the margin. The S.P.C. may have some more firms in their approved lists.

1 Messrs. C Krishnaiah Chetty
2. " Bartons
3. " Indian Jewellery Man
4 " P. Orr & Sons (Madra
5 " S. Y. V. & Co (recently added)
[Of these, No. 4 is a outside firm)

Regarding the specifications, it is submitted that only sketches of the jewels are available and if any firm wants a sample of a jewel itself it will have to be referred to one of the recipients of similar jewels in Bangalore: ~~Our stock of jewels~~ we have no III or IV jewel in Stock.

One point for orders is the extent to which the S.P.C. will deal with the question. Whether the acceptance of the final tenders is to come to Govt for order, the arrangements for getting the jewels inspected (by local experts or sending the manufactured jewels to Palace office) and final acceptance. It would be convenient if all the stages can be dealt with in one Branch (S.P.C. or C.B.) & ~~finally tenders over after acceptance~~.

(The jewels will be required by about middle of September)

We respectfully beg to apply herewith for the privilege of making the Gandaberunda Jewels which we understand will shortly be required by your Government, and though there was some little query regarding the last ones we made on account of our not understanding quite correctly the actual stones which were required, we eventually put this right and believe that satisfaction was finally given.

Now that we have had experience and know what you do actually require, you may rest assured that we can give the Government entire satisfaction regarding the execution of the work, quality of the stones and general finish.

There are no firms in India more experienced than we are, and though this is not a profit making order, yet we would like to have the honour of doing it and hope that it will lead to other business from your Government.

JMS/ 26th July, 1933

The Chief Secretary to the
Government of Mysore,
Bangalore.

Dear Sir,

We respectfully beg to apply herewith for the privilege of making the Gandaberunda Jewels which we understand will shortly be required by your Government, and though there was some little query regarding the last ones we made on account of our not understanding quite correctly the actual stones which were required, we eventually put this right and believe that satisfaction was finally given.

Now that we have had experience and know what you do actually require, you may rest assured that we can give the Government entire satisfaction regarding the execution of the work, quality of the stones and general finish.

There are no firms in India more experienced than we are, and though this is not a profit making order, yet we would like to have the honour of doing it and hope that it will lead to other business from your Government.

Again assuring you of our best personal attention to your esteemed commands with the object of having the pleasure of giving your Government satisfaction and the pleasure of being your general suppliers of jewels and medals and other things which we manufacture.

We are, Dear Sir,
Yours faithfully,

Dear Sir,

Re:- Gunderbherunda Jewels & Public Service Medals.

With further reference to your letter No. 233/C.B.7-33-1 of the 19th July 1933, and our reply thereto of the 21st July '33, we now have pleasure in quoting as follows:-

Gunderbherunda Jewels 111. Class (C) :-

For three jewels, Rs.615/- each net.

1V. Class,(D) (Bangle):-

For two Bangles, Rs.475/- each net.

Public Service Medals

I. Class - for eight Medals, Rs.65/- each net,
II. Class - for six Medals, Rs.48/- " "

On the reverse side of these Medals the usual inscription,"Presented by His Highness The Maharaja to ....." will be engraved free of cost, and the recipients name later on as well. Each Medal will be fitted with ribbon and covered metal bar, and supplied in cases. The Gunderbherunda Jewels will be of the same quality as supplied in the past, both as regards Gold and Gems

employed; and we would like here particularly to draw attention to the finish and quality of the Gems in the Bangles we supplied last year, and which we hope gave entire satisfaction. They were infinitely better than the sample you kindly placed at our disposal.

You will see that we have actually quoted lower again this year for the Gunderbherunda Jewels than in previous years, although when we last manufactured Jewels of the 111. Class in 1929, Gold was at Rs.22/8/- per Tola, whereas it is Rs.30/- per Tola today! We trust this will be taken into consideration when dealing with the order this year. For The Public Service Medals, we have quoted the same as last year, as there was no scope for any further reduction, unless the weight of Gold is reduced and which we would not recommend. We could however supply them in 9 or 15 carat Gold, which would reduce our quotations still further. As your requirements this year are so small, we hope you will be able to place your entire order with us, seeing that we have quoted specially low rates. The quality of workmanship and Gems employed will be of the same high standard as in the past. The order could be completed in a few weeks, but we would strongly recommend you to place your commands as early as possible, in order that our full care and attention may be devoted to the work.

Awaiting your further commands, and always at your service,

We are, Dear Sir,
Yours faithfully,

Dear Sir,

Re:- Gunderbherunda Jewels.

With reference to the above Jewels we are making to your esteemed order, you asked us to make delivery by the 10th of this month. This can be done with a great strain, but really the time is a little too short, and we would much appreciate a few extra days to enable us to give the work our fullest possible attention. If they must be ready by the 10th, we will certainly deliver them by that date, but it would be in your interests as well as our own if a few extra days were allowed us. Will you kindly let us know as early as you possibly can.
